

SUGGESTED USE: Two to three sprays daily when taken in conjunction with **Daily Dose**. One spray (1000 iu) per every 30 pounds of bodyweight when used alone. Spray under your tongue and hold for 30 seconds. Avoid food or liquids for five minutes after use.

This patented, highly-effective formula provides your body with the bioactive form of vitamin D3 it needs. To insure proper dosing, assess your vitamin D3 level at least once a year. *

CAUTION: Keep out of the reach of children.
